NEW IN 2019

Please note this letter from the President, Executive, and Delegates to the Alberta Music Festival Association (AMFA)

October 22, 2018

Dear AMFA Members and Festival Participants,

It is with some sadness that I have to report that, at the 2018 AMFA Annual General Meeting (AGM), **Alberta voted to leave the Federation of Canadian Music Festivals (FCMF) immediately**. The vote was unanimous with one abstention. Each year, it costs our Festivals about \$40,000 to send participants and delegates to the National Festival. There are usually 6-10 participants and 4 delegates who attend.

As you recognize this is a lot of money; and, it is money from your Local Festivals and participants. Over the past two years, the FCMF has displayed a significant lack of fiscal responsibility, questionable governance, and has clearly shown a lack of transparency. We felt it best to leave. Although we have tried, we don't seem to be able to change things.

The week before our AGM, British Columbia voted to leave as well, and for the same reasons.

The result of this is that there are no longer any Provincial National Classes in Alberta. However, in their place for this year, we have instituted **ALBERTA EXCELLENCE CLASSES** in Voice, Piano, Guitar, Musical Theatre, Percussion, Strings, Brass, Woodwinds, Chamber Music, **AND** Speech. Speech was never a part of the FCMF, and we are very happy to add it. Each Alberta Festival can have one person in each class, and the prize for each **ALBERTA EXCELLENCE CLASS** is \$1,000.00. These competitions will take place at the Alberta Provincial Music Festival — the criteria for each class are outlined under **ALBERTA EXCELLENCE CLASSES** in the **PROVINCIAL SYLLABUS**.

Choirs will also have **ALBERTA EXCELLENCE CLASSES** that reflect the same classes that were in the National Syllabus (i.e. 19 & Under). The criteria for those classes remain the same as in the past. These will continue to be recorded competitions, at least for this year. The prize for each **ALBERTA EXCELLENCE CHOIR CLASS** is \$1,000.00.

Following this Festival, we hope to be able to join with BC and any other province who has chosen to leave FCMF and form either a Western Festival, or a new Canadian Festival.

This was a hard decision to make, but we felt that the money currently being sent to the FCMF could be better used to support our young artists and choirs in Alberta.

Most sincerely,

E. (Beth) Cook
President AMFA

GLOSSARY OF TERMS

Accompaniment - A subordinate part for instruments, voices or orchestra.

Amateur – A person whose principal means of livelihood is not obtained from musical services in the particular discipline in which he or she is competing, even though he/she may from time to time accept remuneration for musical services rendered.

Aria – An elaborate, accompanied, vocal solo from an opera, operetta or cantata.

Art Song – The Art Song was a creation of the late 18th and early 19th centuries continuing into the 20th and 21st centuries. These songs were written for voice with piano accompaniment. Composers such as Mozart, Schumann, Brahms, Schubert, Britten, Quilter, Barber, Bernstein, Rorem, Coulthard, Fleming, etc. were inspired to write music to enhance existing poetry. The language of the song, if other than English, determines the class to be entered.

Associate Standard – Refers to a selection of advanced difficulty that must be of at least post grade 10 or equivalent level.

Ballad – (as used in Musical Theatre) - Music with a slower tempo, often of a serious nature.

Ballad/Traditional Air – A narrative poem of popular origin, written in short stanzas and originally sung to a repeated tune.

Brass Instrument – A wind instrument such as trumpet or trombone, consisting of a brass tube blown directly by means of a cup or funnel-shaped mouthpiece.

Canadian Composer/Author – A person born in Canada, one who has resided in Canada for at least five years, or a naturalized citizen.

Chamber Music – A term which originally referred to music not intended for the church, the theatre, or public concert hall. It no longer implies a place of performance, but refers to music written for three, four or more instruments played with one instrument to a “part”, all the parts having equal importance.

Choir/Chorus – A group of 13 or more members performing as a single unit.

Choral Speech - The speaking of a piece of literature by a speech choir. It differs from Choric Drama in that the prime emphasis is on telling the story, rather than acting it out. The focus is on the language and the speaking of the text. There is no movement around the stage, but gestures and simple in-place movements may be used. Variety may be provided through the division of voices, use of solo voices, the physical arrangement of the choir, use of props and the suggestion of a simple costume.

Classical Guitar – A plucked stringed instrument originating in Spain.

Classical Music – Music of a serious nature, not pop.

Classroom Music – Music designed to portray the many facets of the elementary school program. Singing is the main emphasis, but some movement/creative dance and limited use of simple instruments is required. Costumes and stage props may be used.

Composition (formerly Creative Music) - A broad category that includes any work of art that presents sound in an organized fashion. The work can be generated using traditional instruments or the human voice.

Community Band/Choir/Chorus – A group of instrumentalists or singers performing as a unit. The term also refers to a group whose members come from two or more schools and are selected on the basis of performing ability.

Concert Band – A group of musicians playing woodwind, brass and percussion instruments under the direction of a conductor.

Concerted Work – Any composition originally written for solo instrument with orchestral accompaniment.

Concerto – A composition written in several movements usually for solo instrument with orchestral accompaniment.

Creative Story Telling - The story may be either an original work by the performer, or a traditional story, folk tale, family tale, legend, fable or myth. Entrants submit a brief plot outline to the adjudicator. Appropriate sounds, props or movement may be incorporated into the performance provided there is no disruption of the smooth delivery of the story. The performance **MUST** be in the teller's own words.

Discipline – AMFA defines five disciplines for administrative purposes: Band/Orchestra, Instrumental, Piano, Speech and Voice.

Dramatic Poetry – Poetry which represents a situation involving characters. Dramatic conflict and dialogue are normally present in this type of poetry.

Duet – Two individuals performing different parts as a unit.

Duologue – A speech selection for two individuals performing different parts.

Ensemble – A small group performing as a unit.

Finger-style Guitar – Describes a manner of playing in which the fingertips are used to pluck the strings.

Folk Song – Music which has entered into the heritage of the people and cannot be assigned to a composer, school or period. It has been fashioned and re-fashioned through many generations by countless individuals and is usually passed on orally.

Full Orchestra – A large group of musicians performing as a unit using string, woodwind, brass and percussion instruments.

General Choral – Choirs whose singers are auditioned and become members of a select voice choir.

Gesture – Movement of the body, especially hands and arms, which clarifies the meaning and emotional content of a performance. In the presentation of poetry, gestures should be limited by taste and decorum.

Group Competitor – Two or more individuals performing as a unit.

Group of Classes – A competitor may enter only one class in a given Group of Classes. For example, Piano Solo-Romantic is the group. Grade 1, 2, 3, etc. are the classes within the group. In this case, a competitor may enter only one grade.

Hand Prop – An object which is carried on stage by the performer and which **MUST** be part of the performance.

Instrumental – Generally refers to the string, woodwind, brass and percussion families, but includes the singing voice and the speaking voice as separate instruments.

Lieder – A distinctive type of German vocal solo composition which was an outcome of the Romantic Movement of the late 18th and early 19th centuries. In lieder, the quality of the verse is very important. The piano part is more than an accompaniment and also demands artistic interpretation. (Lieder should be performed in German Art Song classes.)

Light Opera – A type of comic or lighthearted opera containing spoken dialogue.

Lyric Poetry – Is distinguished by its intense personal feeling and unified by the poet's consistent response to an incident or idea. Lyric poetry frequently exhibits a graceful, fluid rhythm and an evocative pattern of sound. It is reflective poetry, and although a lyric may relate an incident or episode, the story element is of secondary importance. Movement and gesture, if any, should be restrained and should never draw attention away from the language.

Madrigal – A composition for several voices, usually unaccompanied, the texts of which are usually secular. Madrigals may be Contemporary.

Mixed Choir/Chorus – A group of female and male singers performing as a unit.

Musical Theatre/Broadway Musical – A staged production, recognized revue, or movie musical that incorporates the elements of acting, song and movement.

Narrative Poetry - Poetry that tells a story and stresses plot and action. It often contains dialogue, characterization and conflict. Although narrative/dramatic poetry may contain lyrical or descriptive passages, it usually minimizes or ignores the poet's expression of personal feelings. Movement and gestures should flow naturally from the text and the performer's interpretation.

Opera – A drama, in which music is the essential factor, comprised of songs with orchestra.

Operatic Solo – See Aria.

Oratorio – An Oratorio is an extended musical setting of a sacred text made up of dramatic, narrative and contemplative elements.

Original Composition – A piece of music that was written or created by the entrant and represented on manuscript paper or by using some kind of notation system that would allow another musician to perform the work.

Percussion Instrument – An instrument whose sound arises from the striking of materials.

Piano Sonatina – A shorter version of the Sonata.

Prescribed Selection – A test piece that is listed in the current syllabus for a specific class.

Production Number – a selection in a musical that is sung and danced by featured actors and supported by the chorus.

Professional – A person whose principal means of livelihood is obtained from the practice of music or drama in the particular category in which he or she is competing.

Props - Objects used to enhance a presentation usually in musical theatre, some solo speech classes, choral speech and choric drama. They may be hand-held (a purse, a glass, a mop) or stage props (a doorway, a stool, a table and chair). Stage props are set up before the performance begins. In all cases, props should be simple, limited in number and an integral part of the performance. Up to three stage props are allowed in a solo performance.

Prose Solo – A prose selection (may be fiction, non fiction or sacred text) from an authored story, essay, novel or the like.

Public Domain – The author of a work has been deceased for a period of 50 years or more and the work is therefore out of copyright.

Quartet – Four individuals performing different parts as a unit.

Quintet – Five individuals performing different parts as a unit.

Revue – A topical, satirical, theatrical entertainment consisting of a series of scenes having a central theme, but no plot.

Sacred – A selection using a religious theme or a religious text set to music. It should be "classical" in style but not an oratorio.

School Band/Choir/Chorus – A group of at least 13 performers, usually from one school, performing as a unit.

APPENDIX I:

Guidance on Recording Performers and Adjudications

The Alberta Music Festival Association recognizes that participation in music festivals can help children grow in confidence, increase their self-esteem, and provide a basis on which to learn a range of new skills, as well as give some the chance to build a career in the creative sector. We want to make sure that children can take advantage of these opportunities wherever possible so that they can make the most of these benefits and enjoy the opportunity to perform in public.

Guidance provides a framework to ensure that the welfare of performing children is safeguarded effectively, that they receive proper care, and that their education and rights are protected. Promoting the welfare of our children must always be the driving principle when we consider arrangements, which enable them to participate in these activities.

Recording of children's performances and their adjudications falls under the Performers' Rights and Copyright Acts of Canada. These rights and acts which include covering matters as consent, exploitation, intent, harm, creative content, and moral implications, are constantly changing in our laws. It is very easy to find oneself violating a performer's rights or copyright acts should you choose to record them.

In the name of child safety, common decency and in respect for others, the Alberta Music Festival Association asks that you do not record the performances of any child except your own, and that you do not record any performer's adjudication — including your own child's adjudication.

Should you choose to ignore the Alberta Music Festival Association request, a common sense approach to keeping you and our children safe might be to:

1. Always obtain permission from those directly involved in the creation of a performance video. This includes the performer, the accompanist, and the adjudicator.
2. Never place on a public repository (e.g.: Facebook, Twitter, or YouTube) anything that includes a public performance of a child, unless explicit permission has been obtained. It makes no difference how small a piece it is

The Alberta Music Festival Association has a Freedom of Information and Privacy Waiver which, if signed and submitted, gives permission for the Official Photographer to take photos and/or recordings, and post them on behalf of the Alberta Music Festival Association on a public repository.

This waiver does not apply to a member of the general public recording someone other than his/her own child/performer.

Please help us keep all our children safe and prospering in the creative arts!

Thank you.

With thanks to the Lacombe Music Festival Committee for the legal research on this matter.
